Date Issued: December 13, 2005

Effective: December 13, 2005

Revised: April 2016

Review Date: January 2020

Attachment: Disclosure and Release Form

I. PURPOSE

A. The purpose of this policy to insure that all drivers of apparatus insured by the fire district have a valid drivers license issued by the state of New York and do not present a risk to the Fire District or its residents.

II. POLICY

- A. All drivers of apparatus insured by the District shall possess a valid New York State Drivers license, Class D or greater.
- B. Members of the fire company who intend to drive apparatus insured by the District are subject to review under the License Event Notification Service (LENS) program administered by the NYS Department of Motor Vehicles.
- C. The LENS program will provide the Fire District with up to date information on each driver registered in the program with the following information, accidents, convictions, suspensions/revocations, renewals, license restorations, endorsements, point insurance reduction course completion and changes in classification.

III. PROCEDURE

- 1. DMV records shall be checked at least annually through the fire district's insurer and continuously updated information on license status will be reported to the District through the LENS program.
- 2. Any member who does not wish to be included in the LENS program shall submit a written request to be excluded to the Board of Fire Commissioners with justification
 - a. *All new members shall fill out a Disclosure and Release form (Attached) as part of the membership application for submission to the Board of Fire Commissioner.*
 - 1) Disclosure and Release forms need only be filled out once. The original shall be filed with the District's secretary.
 - b. Upon receiving results of the DMV checks an authorized driver's list shall be prepared by the Fire District Secretary and transmitted to the Fire Chief for posting.

- 1) All members of the Fire Company driving apparatus shall maintain a valid New York State Drivers license.
 - 2) Any member whose license is suspended shall report such to the Board of Fire Commissioners through the Chief of the Department.
 - 3) Any member with a suspended/revoked driver's license shall be immediately removed from the authorized driver's list until the District receives notification that the subject's license is Valid.
 - 4) Any member found to be driving District insured apparatus without a valid NYS drivers license shall immediately cease to operate fire district vehicles, and shall not be cleared to drive fire district apparatus until the circumstances surrounding the revocation or suspension are reviewed and resolved by a decision of the Board in conjunction with the Line Officers of the Fire Company.
 - a) If it is found that the member intentionally withheld such information, the member is subject to an automatic 90 day suspension from any fire district activity and is to be informed by the Chief of such suspension. Further disciplinary action may be taken by the Board of Fire Commissioners or by the Fire Company.
3. It shall be the responsibility of the Fire Chief or their assigned representative(s) to enforce this policy.

By Order of Board of Fire Commissioners – Stillwater Fire District
Anthony Ponzillo
Chairman Board of Fire Commissioners
